

# YOUR SAFETY MATTERS

## **PUBLIC SERVICE ANNOUNCEMENT: Black Hills Energy Making Upgrades Moving Meters from High-Risk Areas**

**Ogallala, Neb., March 2021**-You and your family need and deserve safe, reliable natural gas service, and Black Hills Energy is always looking ahead to make sure we deliver. That's why we're proactively updating natural gas meters in your area.

Beginning mid-March, you may see us in your neighborhood alleyways. Black Hills Energy will be performing an upgrade that will consist of the replacement of approximately 500 residential and commercial meters that serve customers in and around Ogallala, NE.

Traffic flow is not expected to be impacted by this construction project, but you will likely see our signage in the area to notify drivers of the work and asking drivers to take necessary precautions as they travel through the area. The work is currently scheduled to begin on March 15<sup>th</sup>.

We appreciate your cooperation and patience as we deliver an advanced, modern gas system that will safely and reliably serve you and generations of Nebraskans to come.
